Doors & Windows >>

Interior Doors, Entry Doors, Windows

Simply stated, Masonite® doors will make your home more beautiful. They possess a distinctive style and flare that can accent a décor and even become the focus of a room or the exterior of your home. They provide arresting beauty, lasting durability and timeless performance.

Masonite is known worldwide for innovation, quality products, exceptional customer service and a commitment to excellence. Over 80 years of dedication to innovation, technical advancements and customers make Masonite® the brand that builders, remodelers and consumers choose when creating homes of distinction.

Headquartered in Tampa, Florida, Masonite employs over eleven thousand people worldwide. At Masonite, employees from all parts of the company understand that people love their homes. Masonite is continually creating new and innovative products that will make any home more beautiful, more valuable and more enjoyable.

Compare the Masonite® door.

Value. We offer you better products, superior options, more configurations and exceptional service.

Variety. We provide the most comprehensive portfolio of styles, designs, textures, components, glass options, applications and materials.

Quality. We promise durable, long-lasting doors in a broad range of materials and finishes.

Support. We are committed to providing exceptional customer support backed by solid warranties.

Innovation. We pride ourselves in really listening to our customers. We apply what we learn to create new and innovative products and services. In addition, Masonite operates one of the world's largest, private research & development facilities in the industry. Its responsibility is to capture new technologies and materials for use in future products.

Design/Style. We have the most extensive portfolio of designs and styles available anywhere.

Masonite is the undisputed leader in interior doors, with patented panel and door designs and unique styles that are only available from Masonite. We offer absolute, unbeatable value in entry doors. Masonite has the broadest range of panel designs, glass options and available material choices – all at an affordable price.
