Permatex, Inc., is a leading manufacturer, distributor and marketer of premium chemical products to the automotive maintenance and repair markets. The Company, which sold its first product in 1909, is a recognized leader in the introduction of new products and services in the automotive aftermarket. Permatex markets and sells a variety of products under well-recognized brand names such as Permatex®, the Right Stuff®, and Fast Orange®.

Behind our products is the understanding that our customer's needs are our primary concern. Our resources and people are organized to satisfy those needs. It is this market-driven concern that makes Permatex a leading edge supplier of innovative products that meet the needs of automotive enthusiasts, professional technicians and industries alike.

Innovation through research and development is a Permatex hallmark. We continually enhance our capabilities at our laboratories and facilities to provide our customers with a constant flow of new and improved products.

In addition, Permatex is committed to conducting its business in a manner which protects the environment and the health and safety of employees, customers and the public, worldwide.
