Large & Medium Power Tools, Air Compressors

After more than 100 years, PORTER-CABLE has clearly earned its place as one of the most trusted names in power tools today. PORTER-CABLE is a brand with a proud history of innovation and has brought many firsts to the power tool industry. The company designs, manufactures and distributes electric and cordless power tools, pneumatic tools and compressors, pressure washers, generators and related accessories for the professional woodworking, commercial/residential construction, plumbing and electrical markets. Carpenters and woodworkers have come to depend on and trust PORTER-CABLE to help them do everything from putting the finishing touches on crown moulding to creating heirloom quality furniture to last a lifetime.
